

KNOCKLOUGHRIM SCHOOL NEWS

11th
Nov.
2016

Flu Vaccination: On Monday the Northern Health Trust will be in school to administer the Flu Vaccination to our children. Forms have already been returned to school for this and anyone who hasn't returned one or finds their child is unwell on Monday will be able to arrange to have the vaccine at an alternative time through their GP.

Parental Consent for Edu. Visits:

Parental Consent Forms have been sent home recently for various trips and for a stay behind Video Conference next week for Miss Montgomery's class. Please return them promptly so not to forget.

Breakfast Club/Foodbank Donations

As you may be aware our Breakfast Club is free at point of delivery due to the generosity of Crawfords Supermarket and Magherafelt Foodbank. Those families who would like to, can always support the foodbank by leaving food donations in the foodbank basket outside our assembly hall. Every little bit helps the Foodbank and our community!

Final Call for Class Group Photos:

Anyone seeking to purchase a copy of their child's class photograph are encouraged to make their order on Monday morning to the office as orders will be collected very soon afterwards.

Year 6/7 Residential to Bushmills:

Our Year 6/7 children will be leaving on Tuesday 22nd November for four days of fun activities in the great outdoors. Letters were sent home before Half Term detailing equipment etc. so we would ask parents to return payment, medical forms etc. as soon as possible.

Open Morning:

As you will see below on Saturday 26th November we will be holding our annual Open Morning at 10am for parents of children commencing P1 in September 2017. If you are a parent of a child of this age, or know of anyone who is, we would ask you to encourage them and their children to come along at 10am as children will get to meet staff and parents will be able to hear about the application process required to be completed before mid January.

Shoe Box Appeal: Final call for all shoeboxes to be returned on Monday morning for the Christmas Shoebox Appeal.

Dinner Menu Week 2 from Monday

Transfer Test: Next Saturday some of our P7 children will sit their Transfer Tests in the Rainey School. ALL our P7 children have been working very hard this term and are determined to achieve their very best whether they are entered for Transfer Tests or not. They are all very special young people with a huge range of talents and qualities that will sadly remain unmeasured next week. I would like to take this opportunity to ask you to join with me in the days and months ahead in remembering all our P7 children and their families as they continue to work hard and make preparations for their move towards Secondary Education.

Where Do You Like To Read ?

For the past few weeks we have been encouraging our children to have taken funny photos of themselves reading their books and to email them into school as a wee completion.

All photos should be emailed by Sunday at midnight to info@knockloughrim.org
