April
2015

Welcome to this week's newsletter with such beautiful weather we have had a wonderful week in school taking full advantage of the sun to participate in some fantastic outdoor learning. Lots of photographs have been added to our website for you to browse although some have been included in this week's newsletter just to whet your appetite for more. Please keep all our children, staff and all the planned school events and activities in your continued thoughts.

After School Clubs: Clubs will recommence on Monday. If there are any outstanding club bookings then they must be returned on Monday. A timetable & reply slip can be downloaded at any stage from our school website. For your information cycling proficiency on a Thursday is now full although there remain slots for P6 children only on a Monday. Children should bring bicycles and leave them against the wall behind the P6/7 mobile.

#BringBackOurGirls: The UNICEF campaign to encourage governments around the world to support the 216 Nigerian school girls who were kidnapped from their school in Chibok, Nigeria and still haven't been returned to their families is now one year old. Our own school council social media campaign, that we reported on last week, has now attracted over 5200 views on Facebook and cross party support from the local political representatives and the Office of First & Deputy First Minister. We would ask you all to please support this campaign by sharing our posts through our Facebook and Twitter pages.

Aladdin DVD: Our pantomime before Easter was a huge success. Our children from Year 4 to 7 were outstanding throughout the three performances and feedback has been overwhelming. An excellent DVD copy of the Wednesday evening performance has been created and is now available to order cost £8. Orders should be returned to the office by Monday 27th April.
